PROFORMA FOR COUNCILLORS TO ADD ITEMS TO THE AGENDA

Name of Councillor(s)	Councillor Ant Turton
Title of Report	Purchase of Street Furniture in Mancot
Purpose of Report	To consider the purchase of additional street furniture in Mancot
Background to this request	On behalf of local residents, it has been requested that additional benches and planters be installed at various locations within Mancot. Local businesses have expressed an interest in providing funding for the purchase of the street furniture and several residents have indicated their support to maintain the furniture. The request is for a barrel shaped planter under the Mancot sign in the village and on the small green maybe a larger square one with 3 or 4 park benches.
Financial Implications	Local businesses have indicated their support to assist with the purchase and installation costs.
Environmental Implications	The provision of benches and planters will enhance the environment.
Decision sought by Council	To agree to the purchase of additional street furniture funded by local businesses with local residents undertaking the maintenance of the planters. If the council agrees to the purchase, the furniture will be added to the council's asset register and included within the council's insurance. Agreement in principle, so that permission from the land owner (Flintshire County Council? can be obtained.

Advantages of this proposal	To enhance community facilities and a “sense of place”
Disadvantages of this proposal	None.
Equality implications	An “inclusive” bench could be purchased.
