

# Charity Bag Drop

Now's the time for a sort out.  
Bring along your unwanted clothes, shoes, bags and belts but no bric-a-brac.

A donation drop off point will be on the main drive car park on **Sunday 27<sup>th</sup> September** where you can drive in, drop off and donate your unwanted clothes to raise much needed funds for Airbus' partner charities.

**Please come down between 10am – 2pm and make a difference.**

Dragon bags will be collecting all our donations and will weigh them in and let us know how much has been raised.
