Dear Sir

Wildlife and Countryside Act 1981 – The Flintshire County Council (Public Footpath No. 112 in the Community of Hawarden) Definitive Map Modification Order 2014

I write in relation to the above Order made by the County Council on 10 June 2014. The Order was made to modify the definitive map and statement by adding to the map a Public Footpath between the points B and A and deleting the section of Public Footpath between in the points B and C as depicted on the Order map, a copy of which I attach for your information.

Upon the basis that an objection has been lodged which has not been withdrawn the County Council must submit the Order to the Welsh Ministers for determination.

I would therefore confirm that the Order has now been submitted to the Planning Inspectorate acting on behalf of the Welsh Ministers.

Yours faithfully

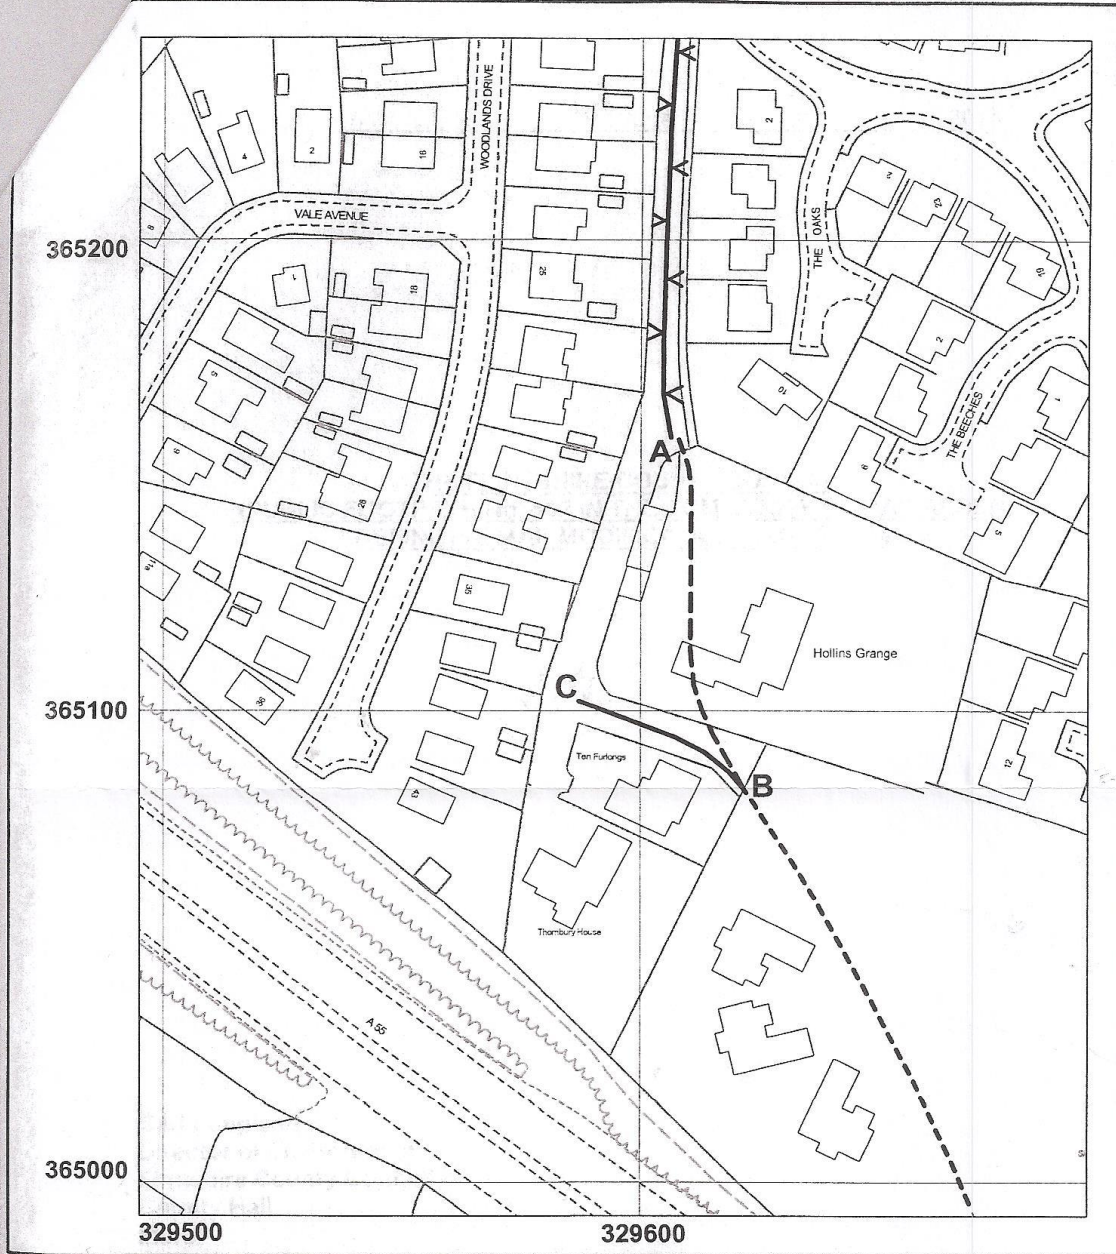

for Chief Officer (Governance)
