

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1 This section applies to members of principal councils, National Park Authorities, Fire and Rescue Authorities and to co-opted members of these authorities. (Similar provision for Community and Town Councils is contained in section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2 Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official duties.
- 12.3 Expenses reimbursed to members of principal councils, by their principal council are exempt from Income Tax and employee NICs. Members of National Park Authorities and Fire and Rescue Authorities may be subject to other arrangements as determined by HMRC.
- 12.4 The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.5 The Panel has determined there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

Reimbursement of mileage costs

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motor cycles
20p per mile	Bicycles

- 12.6 Where a member who is on official business is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

- 12.7 All other claims for travel, including travel by taxi if this is the only, or most

appropriate, method of transport, must only be reimbursed on production of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost-effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and or family

- 12.8 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.9 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and/or family.
- 12.10 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.11 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24-hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

Car Parking for Members

Several councils have specific arrangements for their members in respect of car parking. The Panel considers that it is a matter for individual councils to determine arrangements including payments to and from members providing that it is a decision made formally by the council.

13. Payments to Members of Community and Town Councils

- 13.1 The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities.
- 13.2 The Panel has met with over 304 Councillors and Clerks representing 302 community and town councils in 17 meetings it held across Wales. The discussions re-confirmed the widely held view that the roles individual councils undertake varied significantly and in accordance with this wide variation, the responsibilities and accountabilities of councillors must also vary. Councillors managing income or expenditure of £1million and those delivering significant services, including some that might have been delegated from principal councils, are operating in a much more complex environment than a council with an annual budget of less than £30,000.
- 13.3 In the 2018 Annual Report the Panel formed 3 groups of community and town councils to reflect these differences based on the level of income or expenditure, whichever is the highest, in the previous financial year. These remain unchanged as set out in Table 9.

Table 9: Community and Town Council Groupings

Community and Town Council Group	Income or Expenditure in 2019-2020 of:
A	£200,000 and above
B	£30,000 - £199,999
C	Below £30,000

- 13.4 In order to act and carry out duties as a member of a community or town council all persons are required to make a formal declaration of acceptance of office. Following this declaration, members of community or town councils are then holders of elected office and occupy a role that is part of the Welsh local government structure. It is important to note that a person who follows this path is in a different position to those in other forms of activity, for example such as volunteering or charitable work, typically governed by the Charity Commission for England and Wales.
- 13.5 Under the Local Government (Wales) Measure 2011, community and town councils are relevant authorities for the purpose of remuneration.
- 13.6 Consequently, individuals who have accepted office as a member of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales. It is the duty of the proper officer of a council (usually the Council Clerk) to arrange for correct payments to be made to all individuals entitled to receive them.

- 13.7 Members should receive monies to which they are properly entitled as a matter of course. There must be no requirement for individuals to 'opt in' to receive payments.
- 13.8 An individual may decline to receive part, or all, of the payments if they so wish. This must be done in writing and is an individual matter. A community or town council member wishing to decline payments must themselves write to their proper officer to do so.
- 13.9 The Panel considers that any member who has personal support needs or caring responsibilities should be enabled to fulfil their role. Therefore, the Panel is mandating reimbursement of cost of care for all members of community and town councils as set out in Determination 48.
- 13.10 In each community and town council the proper officer should ensure there is ready access to proper reimbursements of costs of care to enable those eligible for reimbursement to participate in the democratic process. It is inappropriate for councils or councillors to create a climate, or otherwise pressurise others, in order to prevent persons accessing any monies to which they are entitled that may support them to participate in local democracy.
- 13.11 Members in receipt of a Band 1 or Band 2 senior salary from a principal council cannot receive any payment from any community or town council, other than travel and subsistence expenses and reimbursement of costs of care. However, this does not preclude them from holding a senior role (Leader, Deputy Leader) without payment.
- 13.12 Table 10 sets out the actions that community and town councils must take annually in respect of each determination that follows.

Payments towards costs and expenses

- 13.13 The Panel continues to mandate a payment of £150 as a contribution to costs and expenses for members of all community and town councils.
- 13.14 For the avoidance of doubt this determination now includes all councils. Receipts are not required for these payments.

Determination 42: All community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses.

Senior roles

- 13.15 The Panel recognises that specific member roles especially within the larger community and town councils, for example a committee chair, will involve greater responsibility. It is also likely that larger councils will have a greater number of committees, reflecting its level of activity. The Panel has therefore determined that councils in Group A must make available a payment for a minimum of one senior role and a maximum of five senior roles of £500 each. Councils in Groups B and C can pay up to five responsibility payments (of up to £500) for specified roles.
- 13.16 In all cases, a Councillor can only have one payment of £500 regardless of how many senior roles they hold within their Council.

Determination 43: Community and town councils in Group A must make available an annual payment of £500 each to a minimum of 1 and a maximum of 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

Determination 44: Community and town councils in Groups B or C can make an annual payment of up to £500 each to up to 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

- 13.17 Where a person is a member of more than one community or town council, they are eligible to receive the £150 and, if appropriate, £500 from each council of which they are a member.

Reimbursement of travel costs and subsistence costs

- 13.18 The Panel recognises there can be significant travel and subsistence costs associated with the work of community and town council members, especially where the council area is geographically large and/or when engaging in duties outside this area. Each council has an option to pay travel and subsistence costs including travel by taxi if this is the only, or most appropriate, method of transport. Where a council does opt to pay travel and subsistence costs, the following determinations apply.

Determination 45: Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.⁷ Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below:

- 45p per mile up to 10,000 miles in the year.
- 25p per mile over 10,000 miles.
- 5p per mile per passenger carried on authority business.
- 24p per mile for private motor cycles.
- 20p per mile for bicycles.

Determination 46: If a community or town council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- £28 per 24-hour period allowance for meals, including breakfast where not provided.
- £200 – London overnight.
- £95 – elsewhere overnight.
- £30 – staying with friends and/or family overnight.

Compensation for financial loss

13.19 The Panel has retained the facility which councils may pay as compensation to their members where they suffer financial loss when attending approved duties. This figure has been updated in line with the most recent Office for National Statistics Annual Survey of Hours and Earnings - median salary for full time employees in Wales and the Average Actual Weekly Hours of Work for full-time workers (seasonally adjusted). Members must be able to demonstrate that the financial loss has been incurred. Each council has an option to pay compensation for financial loss and where it does the following determination applies.

⁷ Where a member who is on official business is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Determination 47: Community and town councils can pay financial loss compensation to each of their members, where such loss has occurred, for attending approved duties as follows:

- **Up to £55.50 for each period not exceeding 4 hours**
- **Up to £110.00 for each period exceeding 4 hours but not exceeding 24 hours**

Reimbursement of the costs of care

- 13.20 The purpose of this is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that the additional costs of care required to carry out approved duties should not deter people from becoming and remaining a member of an authority or limit their ability to carry out the role.
- 13.21 All members should be entitled to reimbursement of their care costs, up to the maximum of £403 per month, for activities that the individual council has designated official business or an approved duty. This might include, for example, appropriate and reasonable preparation and, or, travelling time. It is a matter for individual councils to determine specific arrangements to implement this.
- 13.22 The Panel recognises the issues relating to the publication of this legitimate expense. This is reflected in the change in the requirement for publication set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the reimbursement of costs of care.

Determination 48: All community and town councils must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members to enable them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.

Civic Head and Deputy Civic Head

- 13.23 Civic heads are senior posts within community and town councils. In addition to chairing major meetings the civic head is the 'ambassador' representing the council to a variety of institutions and organisations. The Panel requires that members should not have to pay themselves for any cost associated with carrying out these duties. This requirement also applies in respect of deputy civic heads.

- 13.24 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing – we consider these to be the council’s civic budgets.
- 13.25 Funding decisions in relation to these civic budgets are not matters of personal remuneration for the post holder but relate to the funding required for the tasks and duties to be carried out. Councils remain free to set civic budgets at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 13.26 For the avoidance of doubt, costs in respect of, for example, transport (physical transport or mileage costs), secretarial support, charitable giving (purchasing tickets, making donations or buying raffle tickets) and clothing are not matters of personal remuneration for the individual holding the senior post. These should be covered by the civic budget.
- 13.27 Recognising that some mayors and chairs of community and town councils and their deputies are very active during their year of office, the Panel has determined that community and town councils can make a payment to the individuals holding these roles.
- 13.28 This is a personal payment to the individual and is entirely separate from covering the costs set out above.
- 13.29 The Panel has determined that the maximum payment to a chair or mayor of a community or town council is £1,500. The maximum payment to a deputy mayor or chair is £500.

Determination 49: Community and town councils can provide a payment to the mayor or chair of the council up to a maximum of £1,500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 50: Community and town councils can provide a payment to the deputy mayor or deputy chair of the council up to a maximum of £500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Making Payments to members

- 13.30 Table 10 sets out each of the above determinations and if a decision is required by the council in respect of each one.
- 13.31 In respect of the mandated payments where no decision is required by a council, members should receive monies to which they are properly entitled as a matter of course.
- 13.32 Where a decision is required by the council, this should be done at the first meeting following receipt of the Annual Report.
- 13.33 A council can adopt any, or all, of the non-mandated determinations but if it does make such a decision, it must apply to all its members.
- 13.34 When payments take effect from is set out in paragraphs 13.38 to 13.40 below.
- 13.35 On receipt of the draft Annual Report the previous autumn, councils should consider the determinations for the next financial year and use this to inform budget plans.

No - Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) can only receive travel and subsistence expenses and reimbursement of costs of care; if they are eligible to claim, and wish to do so.

13.36 All members are eligible to be paid the £150 as set out in Determination 42 from the start of the financial year; unless they are elected later in the financial year, in which case they are eligible for a pro-rata payment from that date.

13.37 Other amounts payable to members in recognition of specific responsibilities or as a civic head or deputy civic head as set out in Determinations 43,44, 48 and 49 are payable from the date when the member takes up the role during the financial year.

13.38 It is a matter for each council to make, and record, a policy decision in respect of:

- when the payment is actually made to the member;
- how many payments the total amount payable is broken down into;
- and whether and how to recover any payments made to a member who leaves or changes their role during the financial year.

13.39 Payments in respect of Determinations 43, 44, 45 and 46 are payable when the activity they relate to has taken place.

13.40 As stated in paragraph 13.8 any individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these payments by giving notice in writing to the proper officer of the council.

Determination 51: Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and reimbursement of costs of care.

Publicity requirements

13.41 There is a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments for each financial year. This information must be published on council noticeboards and or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the previous financial year. The Panel draws attention to the requirements stipulated at Annex 4. The Panel is concerned that a significant number of councils are still in breach of this requirement.
