

Subject: Fwd: Children (Case Ref: MT24828)

Hi Sharron

Please see attached.

Could this be added to a future agenda?

Subject: Fwd: Children (Case Ref: MT24828)

Hello Lowri

I have been liaising with Mark Tami and he has suggested I contacted yourself as you are a HAWARDEN resident and local council. I have been trying to highlight the very poor facilities for children in Hawarden. I suggest improvements to the playground opposite the high school in Hawarden as it is a central location and has parking and loads of space to improve things. All the playgrounds in Hawarden are only suitable for children up to 6 years old. My daughter is 5 and gets board after 10 minutes! Compared to other villages HAWARDEN playgrounds are very basic indeed. Things are going worse for children in Hawarden now the Deeside leisure centre has closed. I have been to Frodsham and Kelsall recently and been amazed by the standard of the children's playgrounds. We need something like that in Hawarden. Kids need to be able to get fresh air, exercise and have fun but shouldn't have to travel to other villages to get the facilities they deserve.

Mark Tami agrees with my recommendations and wants me to push my ideas to local authorities

Kind regards

Hello

Thank you for your email and I agree with you and would certainly support further additions to the play equipment on Gladstone playing fields.

To achieve this, it would require as Paul Jones from Aura stated in his letter that I sent to you Match funding between the community council and the county councils. With that in mind it may be useful to speak with representatives of Hawarden community council who represent you and by chance live

very close to you. I have included your local councillors names below.

I could certainly write to the community council on your behalf, but I feel if your local councillors were on side with your suggestions then there is more chance that this would help to achieve an outcome that you are looking for.

Please let me know how you get on and if they are responsive to your request.

Hello Mark

After speaking to a few of the parents in Hawarden, we all agreed a large playground with things for all ages is desperately needed. Also everyone has said opposite Hawarden High School is the best central location. We just

need to improve what is already there. The current playground is only suitable for upto 5/6 year olds then it's the skate ramps or nothing:(

Please try a push for a better play area for kids in a Hawarden as it is needed. I don't want my child growing up playing on the Xbox . All children need to be outdoors appreciating fresh air and gaining more exercise

Kind regards

Hello

sorry for the delay in getting back to you. It has been so incredibly busy with the current situation.

I will write to the County Council with regards to your suggestion as this does seem something that Flintshire is lacking.

Thank you for raising this and we will see if we can encourage the council to pursue this.

Yours sincerely,

Mark Tami MP

Subject: Children

Hello

I am writing to you as a parent who lives in Hawarden. I feel there is not enough for children in the area (even less now Deeside Leisure Centre has closed). I emailed Hawarden Community Council about how poor the playgrounds are in Hawarden but did not get a positive response I'm afraid. I have had to travel far and wide to take my little girl to some good playgrounds. Frodsham and Kellsall public play areas are fantastic with A great community feel. We are in need of something like that in Hawarden. There are loads of little playgrounds but all are very basic compared to other villages. We need one big playground to really bring the community together. My husband can't drive and there is nowhere within walking distance from our house. Vicars close play area is the nearest and is not fit for children at all! Very scary and secluded.

Kind regards
