**Subject:** Carlines Avenue Parking restrictions  
**Attachments:** Carline Avenue objections overview.docx

Good Morning Sharron

In relation to the proposed parking restrictions on Carlines Avenue for which the Community Council are funding, please find an overview of the objections received. Please note that the number of objections received was 10, and some of the objections covered more than one point.

Please can you confirm that the Community Council are happy to progress with the proposals, following this the Authority will then prepare the necessary report for consideration under delegated powers.

Many thanks

Lee

Carline Avenue, Ewloe Parking restrictions

Objection Content

Objection Content	Number of objections received of this nature	Details	FCC
Only restrict one side	4		Would still involve Children crossing between parked cars.
One Way System	6		Future consideration? Or alternative to TRO/In conjunction with TRO proposals?
Staff not to park in Layby	2		Is this the case? If so can it be addressed by school?
Displaced parking (Specifically on to Lincoln Drive and Grant Drive)	5		Can't predict where displacement will be but will monitor should scheme be implemented.
Increase school Drop off times	1		School issue, can it be considered in conjunction with Proposals/supplement the proposals
Did not inform residents	1		Statutory advertisement process followed
School Term Only	1		FCC unable to propose this as Term time is not a recognised set time
Make little difference due to lack of CPE	1		CPE Officers are on Rota's which allow for visits to all primary schools with parking issues
Wynnstay road, Broughton narrower and has no restrictions	1		All roads considered on an individual basis
Use some of the spacious school grounds	2		School decision

Emergency vehicles unable to access congested roads	1		Obstructive parking where there are no Restriction in place is an offence which can only be addressed by NWP.
Cars will be parked on grass verges, will be mud bath	1		If behind a yellow line can be enforced.
20mph not adhered too	1		Currently are advisory not mandatory
Speed increase	1		Bend acts as calming. Restrictions not an excessively long length. Speed monitoring would be completed should proposals be implemented.
Traffic Calming	1		Scheme assessment – separate issue
Cause inconvenience	1		Inconvenient now – improving safety and will monitor
Extend proposals	2		Not possible at this time without incurring further costs
Would Prevent Local residents use of road to park and deliveries would be affected	1		Time limited and junction protection. Cannot time limit the junctions.
Lack of respect to residents by traffic	1		General traffic rules should apply to all road users
