Dear Clerk,

Match Funding Scheme Improvements to Children's Play Areas 2019/20

I am pleased to advise that Flintshire County Council has allocated £105,000 from its 2019/20 budget for the match-funding of improvement works to children's play areas. The match-funding scheme is now in its tenth year with around £2 million being invested jointly by the County Council and Town & Community Councils in over 100 play areas over the previous nine years.

Flintshire County Council wishes to continue working in partnership with Town & Community Councils on a match-funding basis (£ for £) and seeks expressions of interest for the 2019/20 scheme.

It is important that the County Council targets its future investment towards those sites of greatest need in terms of play deprivation and strategic importance and the 2019/20 match-funding scheme is, therefore, based upon the following principles:

- County Council match-funding is aligned to the findings of the Play Design service's condition survey report;
- The Play Design service, managed by Aura Leisure & Libraries Ltd, will identify those play areas which are in scope (RED and AMBER sites) and out of scope (GREEN sites); and
- A maximum contribution of £10,000 per scheme.
