562/17 SECTION 106 MONIES: ASTON MEAD

The Clerk had sought three quotes for the replacement fencing at Aston Bowling Club and, following a request from local Members, for the Community Centre. A discussion ensued about the boundary responsibilities and Section 106 monies being used for this purpose.

IT WAS RESOLVED: (i) to accept the quote received from Jones Brothers Ltd for the fence surrounding the Bowling Club and (ii) that the Clerk clarify the legal position about the lease conditions and the use of section 106 money prior to awarding the contract.

563/17 CLERKS REPORT:

Nothing to report.

564/17 MEMBERS' INFORMATION ITEMS:

Councillor Clive Carver said that it was totally outrageous that the Council had been asked for permission to erect outdoor seating as a result of changes implemented by the Football Association for Wales. The Chair of the Committee asked that this item be included on the agenda for the June meeting for reconsideration but the Clerk clarified that the Council could not rescind its decision for a period of six months as per the Council's own standing orders. The Clerk reiterated that the Council had only approved the scheme in principle, as the project would be subject to all necessary consultations and consents etc.

Councillor Joyce Angell asked if the "No Ball Games" sign could be removed from the pavilion building along with some graffiti that had recently appeared. Councillor Angell also requested that dog fouling signs be erected as some dog owners had not been picking up dog waste around the Gladstone Playing Fields.
