339/18 APOLOGIES FOR ABSENCE:

Prior to the receipt of apologies, the Chair asked Members to be more considerate towards each other when discussing issues at Council meetings. In particular, new Members might not have previously been afforded the opportunity to fully express themselves or review an issue, as the more experienced Members had referred to earlier decisions that had been taken. Sometimes things can change and a new discussion could possibly generate a different outcome.

Councillor George Hardcastle congratulated the Clerk and Financial Officer who had recently passed units two and four of her CiLCA Qualification. He had been particularly keen to advise members that she had received an 'exemplary pass' for such high-quality work for unit four: Project Management.

The Chair echoed these comments and said that he had been proud of her achievements. Other Members commended the Clerk and Financial Officer and gave her a celebratory round of applause.
