

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

The internal audit is carried out by the following testing of the internal controls specified on the Annual Return for local councils in Wales:

- Checking that books of account have been properly kept throughout the year
- Checking a sample of payments to ensure that the Council's financial regulations have been met, payments are supported by invoices, expenditure is approved, and VAT is correctly accounted for
- Reviewing the Council's risk assessment and ensuring that adequate arrangements are in place to manage all identified risks
- Verifying that the annual precept request is the result of a proper budgetary process; that budget progress has been regularly monitored and that the council's reserves are appropriate
- Checking income records to ensure that the correct price has been charged, income has been received, recorded and promptly banked and VAT is correctly accounted for
- Reviewing petty cash records to ensure payments are supported by receipts, expenditure is approved and VAT is correctly accounted for
- Checking that salaries to employees have been paid in accordance with Council approvals and that PAYE and NI requirements have been properly applied
- Checking the accuracy of the asset and investments registers
- Testing the accuracy and timeliness of periodic and year-end bank account reconciliation(s)
- Year end testing on the accuracy and completeness of the financial statements

Conclusion

On the basis of the internal audit work carried out, which was limited to the tests indicated above, in our view the council's system of internal controls is in place, adequate for the purpose intended and effective, subject to the recommendations reported in the action plan overleaf.

As part of the internal audit work for the next financial year we will follow up all recommendations included in the action plan.

JDH Business Services Ltd

ITEM 8

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

	ISSUE	RECOMMENDATION	FOLLOW UP
1	<p>A review of the joint agreement calculation schedules found that while these are now set out more clearly and show how the recharge amounts have been calculated, testing found that some items had been entered onto a monthly calculation schedule gross rather than net of VAT. As a result, both Broughton & Bretton and Shotton Town Council are due VAT that Hawarden have reclaimed.</p>	<p><i>The amount of VAT reclaimed by Hawarden that relates to Broughton & Bretton CC and Shotton TC should be calculated and repaid.</i></p> <p><i>In future, only net amounts should be entered onto the calculation schedule.</i></p>	<p>This is currently being calculated and an adjustment will be made during the financial year end processes.</p> <p>Already corrected.</p>
2	<p>Testing of online payments and the controls in place for adding suppliers to online banking found the following:</p> <ul style="list-style-type: none"> - For one payment, the bank account and sort code were attached to a post it note on the invoice. - One authorisation proforma form had not been signed by the Chair of Council and Chair of Finance (we were however able to check the bank details as part of our 	<p><i>Hard copy confirmation of bank details should be requested from the supplier.</i></p> <p><i>Authorisation proformas should be signed as per the council Financial Regulations.</i></p>	<p>Noted and implemented.</p> <p>Noted and implemented.</p>

HAWARDEN COMMUNITY COUNCIL 2018/19

	audit and these were found to be correct).		
3	The Council has four standing committees, however, none of these committees have an adopted terms of reference specifying the committee functions and delegated powers. The meetings for these committees follow the main Council meeting with the same Councillors present but with the position of Chair changed.	<i>A terms of reference should be established for all standing committees and appended to the Standing Orders of the council.</i>	Terms of Reference will be drawn up in time for approval at the Annual General Meeting.
Follow up of 2017/18 audit recommendations			
1	Both receipts and payments are under-stated by £28,589 which is s106 monies received in the year that have been incorrectly netted off expenditure.	<i>The annual return should be amended to state the following: Total other receipts= £142,496 Total other payments= £218,750</i>	Follow up at year end audit
2	Historically the Council has entered an apportionment of the actual staff costs as they have a SLA with two other Councils who pay a contribution to those staff costs. Broughton and Bretton Community Council, one of the Councils within the SLA has been instructed by the	<i>The Council should seek clarification from the external auditor as to whether they should amend the annual return to show the total staff costs. This would increase staff costs to £180,047 and total other payments would be £150,609.</i>	Follow up at year end audit

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

	<p>external auditor to cease entering a proportion into staff costs and to show it as nil.</p> <p>In the light of this advice, the Council need to seek clarification from the external auditor as to whether they should continue apportioning staff costs or whether they should include the £68,141 apportionment within their own staff costs.</p>		
3	<p>Fixed assets includes an asset donated to the Council at no charge which has been included at the value of £1000.</p> <p>During 2017/18 there has been £21300 of expenditure on LED lights. This has not been added to the asset register.</p>	<p><i>Advice given by the external auditor is that assets should be valued at purchase cost. When they are gifted, they should be recorded within the asset register at the value of £1.</i></p> <p><i>The Council should consider whether the expenditure on LED lights enhances the asset and should therefore be included within fixed assets.</i></p>	<p>Follow up at year end audit</p>
<p>2017/18 interim audit recommendations</p>			
1	<p>The Council have introduced online banking payments during 2017/18 and have updated their financial regulations accordingly.</p> <p>Testing of a sample of payments and a review of the financial regulations</p>		

INTERNAL AUDIT REPORT – Interim Audit
 HAWARDEN COMMUNITY COUNCIL 2018/19

<p>found the following:</p> <ul style="list-style-type: none"> - All online payments have an accounts voucher attached to the invoice which is signed by the Chair of Council and Chair of Finance prior to payment. This is not currently reflected in the financial regulations which only requires the Chair of Finance to sign the list of payments approved by Council. 	<p><i>The financial regulations should be updated to reflect the controls that are in place.</i></p>	<p>Financial Regulations have been updated.</p>
<ul style="list-style-type: none"> - The Council have introduced a procedure for adding new payees to online banking. The clerk adds the details and prepares a proforma that is signed by the Finance Chair to confirm that the bank details have been added correctly. Currently further evidence such as bank confirmations are not always retained. The financial regulations do not currently state the controls that are in place for adding suppliers to online banking. 	<p><i>The financial regulations should be updated to reflect the controls that are in place. The bank confirmations should be printed out and attached to the supplier proformas as further evidence that the details have been input correctly.</i></p>	<p>The majority of suppliers added in 2018/19 are supported by signed proformas and a bank extract showing the account number and sort code.</p>

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

2	<p>Data Protection Law will change significantly on May 25th 2018 due to the 2016 EU Directive General Data Protection Regulation (GDPR) taking effect.</p> <p>GDPR replaces the 1998 Data Protection Act and it will impose new obligations on Data Controllers and Data Processors and provides enhanced rights for individuals. Compliance with GDPR could have resource implications for local councils.</p>	<p><i>The impact of GDPR on the council should be identified through review of ICO and NALC guidance and the Data Protection policy, risk assessment and internal controls should be updated accordingly</i></p>	
2016/17 audit recommendations			
1	<p>The VAT return as at 31/3/17 differs from the balance on the VAT account by £161.82. This appears to be due to transactions being cancelled in the ledger after the claim was made.</p>	<p><i>An adjustment should be made in the next VAT return to repay the VAT overclaimed.</i></p>	<p>The VAT debtor in 17/18 accounts does not reconcile with the March 2018 claim, there is a difference of £748.18. This should be investigated and the next claim adjusted accordingly.</p>
2	<p>The Council received section 106 monies amounting to £55,030 in 2015/16. We cannot see any balance held in ear-marked reserves relating to the s106 monies received in 15/16 that were unspent.</p>	<p><i>As s106 monies are to be used for specific schemes, any balances held should be identified within ear-marked reserves.</i></p>	<p>An ear-marked reserve is held but this is not separately identified as s106 within the accounting system.</p>

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

3	A review of the joint services income found that the Administration heading within the ledger was understated by £7210 and the maintenance heading was overstated by £7210.	<i>This does not affect any balances on the annual return but should be corrected for management accounting and budgetary control purposes.</i>	This has not occurred in 17/18
4	The fidelity cover at £270,000 does not cover the maximum projected cash balances as at 31/3/17 of approximately £300,000 (calculated as year end balance plus first precept).	<i>The Council should review the adequacy of their fidelity cover.</i>	The Council have increased their fidelity cover to £300,000. The balances of the Council have increased and the maximum balance is now calculated as approximately £359,000.
Follow up of 2016/17 audit recommendations			
1	The cumulative bank reconciliation presented to Council for 12/9/16 does not reconcile – the reconciliation shows a difference of £2617.51. Further review identified the reason for the imbalance was that the reconciliation used the bank balances as at 31/8/16 and the cash book balances as at 12/9/16.	<p><i>Council should query any reconciliation presented to them that does not balance.</i></p> <p><i>A bank reconciliation should always reconcile bank statement balances and cash book balances at the same date.</i></p> <p><i>The Council should ensure a cumulative bank reconciliation is compiled that balances bank statements as at 31/8/16 to cash book balances at 31/8/16. Thereafter, bank reconciliations should be completed and presented to council for review and approval using balances as at the end of each calendar</i></p>	Implemented

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

	<p>2 The list of payments approved by Council is not always included in the signed minutes. The August payment schedule has been signed by the Chair, however, there is no reference in the minutes to the approval of the August payments.</p>	<p><i>month.</i></p> <p><i>The Council should retrospectively approve these payments by recording within the minutes that the August payments totalling £36,627.16 have been approved by Council.</i></p> <p><i>In future, minutes should include the payment list that has been approved by council.</i></p>	<p>Implemented</p>
<p>3</p>	<p>On-line payments are to be implemented and the Finance Committee minutes in September 2016 noted that Financial Regulations would be updated to reflect this change.</p>	<p><i>Internal controls over on-line payments should ensure:</i></p> <ol style="list-style-type: none"> <i>1.) Authorisation controls over payments are equivalent to those applied to cheque payments</i> <i>2.) Controls over access to online bank accounts are clearly established</i> <i>3.) Supplier bank accounts - Procedures are established to ensure members check bank details for the first payment to a supplier to independent supplier confirmation such as a supplier invoice or a signed confirmation letter from the supplier. The same procedure should apply where a supplier has purported to have changed bank accounts. This is an area where significant actual and attempted fraud has recently been encountered by businesses.</i> <i>4.) Risk assessment should be updated for any risks identified, together with</i> 	<p>Implemented</p>

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

		<i>appropriate mitigation actions, with respect to online payments</i>	
4	Expenditure testing identified the following capital item: Payment Reference 16/98 for £1,589.09 (Denbigh Timber products Ltd) – 3 Allotment sheds.	<i>Capital expenditure should be incorporated into the fixed asset register at cost. Also see recommendation 1.) from 2015/16 regarding improvement to the format of the asset register</i>	Implemented
2015/16 recommendations			
1	Currently the asset register lists assets but does not give very detailed information about the asset such as valuation method, date acquired and date of disposal.	<i>It would be good practice to add the following information to the register:</i> - Location of assets - Date acquired (if known) - Date of disposal	Implemented
Follow up of 2014/15 audit recommendations			
1	Currently a loan to the Hawarden Institute (balance at 31/3/15 £3,500) appears in both the bank reconciliation as a short term investment and the fixed assets total as a long term investment.	<i>The Loan is classed as a long term investment and should therefore be included within fixed assets and not within the bank balance. The accounts should therefore be adjusted to remove the balance from the bank balance, a corresponding adjustment should be made to expenditure.</i>	Implemented
2	Guidance note for 2015/16	<i>The Council should review this risk if they</i>	Noted

INTERNAL AUDIT REPORT – Interim Audit
HA WARDEN COMMUNITY COUNCIL 2018/19

<p>An area of potential risk for the Council in 2015/16 is ensuring they meet the requirements of The Pensions Regulator with respect to auto enrolment, or they may face fines. Even if staff are not eligible to be auto enrolled into a pension scheme or the Council already contribute to a pension scheme, the Council may still have to complete a declaration of compliance.</p>	<p><i>have not already done so and ensure they meet any requirements of The Pensions Regulator. See www.thepensionsregulator.gov.uk for further information.</i></p>	
Follow up of 2013/14 audit recommendations		
<p>1 The accounts include a nil balance for interest from fixed rate deposits. At the year end the Council had a fixed rate deposit of £70,000 with Natwest.</p>	<p><i>In future year end procedures should identify whether material interest on fixed rate bank deposits should be accrued.</i></p>	<p>For consistency the Council are recording interest in the year of receipt.</p>
<p>2 It would appear that a £2000 transfer made in error from Broughton and Bretton Community Council and then transferred back has appeared in the accounts as income and expenditure.</p>	<p><i>The correct accounting treatment for this transaction would be to cancel the £2000 of income when it was refunded. Current treatment overstates both income and expenditure by £2000.</i></p>	<p>No evidence that this has occurred in 14/15</p>
<p>3 The asset register shows a total value of assets as £719912. The annual return shows the value of assets as £635097.</p>	<p><i>The asset register should reconcile to the figure shown on the annual return.</i></p>	<p>Implemented</p>
<p>Guidance note for 2014/15 Following the repeal of section 150(5) of the Local Government Act</p>	<p><i>If the Council decide they would like to make any changes to how payments are made it is important that they review the recent</i></p>	<p>Noted</p>

INTERNAL AUDIT REPORT – Interim Audit
HAWARDEN COMMUNITY COUNCIL 2018/19

	<p>1972 in March 2014, Councils now are not required by law to have cheques or other orders for payment signed by two elected members.</p>	<p><i>guidance issued by SLCC and ensure that any new internal controls meet these requirements. Any changes to internal controls over payments in light of the repeal will be reviewed in future audits.</i></p>	
<p>2012/2013 audit recommendations</p>			
<p>1</p>	<p>The payments list included in the minutes that covered the period from 25/4/12 to 14/5/12 had not signed by the chair</p>	<p><i>As the payments schedules form part of the minutes they should be signed by the Chair</i></p>	<p>Implemented</p>
<p>2</p>	<p>The Level Lane community centre is included within the RBS system as an annual £20k budget. However, the £20k was gifted to the council by the former Alyn and Deeside Council to be held in perpetuity for the benefit of the community centre. Therefore, the £20k should be classified as an earmarked reserve</p>	<p><i>An earmarked reserve for £20k in respect of the Level Lane Community Centre should be established</i></p>	<p>Implemented</p>
<p>3</p>	<p>Disaster recovery and business continuity risks are not identified in the annual risk assessment along with identified mitigating action such as regular offsite secure storage.</p>	<p><i>The risk assessment should be updated to include disaster recovery and business continuity risk management</i></p>	<p>Implemented</p>
